

FOR IMMEDIATE RELEASE

Towns Partner with Southern Tier Animal Control for Dog Sheltering Services

(Dec. 6, 2024) The Towns of Catharine, Cayuta, Dix, Hector, Montour, Orange, Reading, and Tyrone have decided, for the 2025 year, to contract with Southern Tier Animal Control (STAC) for dog sheltering services.

This means if your dog is picked up by the Schuyler County Animal Control Officer or a Schuyler County Sheriff's Deputy your dog will be transported to Southern Tier Animal Control.

You can redeem your dog at:

Address: Southern Tier Animal Control
320 Crane Road
Elmira, NY 14901

Phone: (607) 333-0563

Email: SouthernTierAnimalControl@gmail.com

Website: www.SouthernTierAnimalControl.org

Facebook: Southern Tier Animal Control

The Towns have decided to part ways with the Humane Society of Schuyler County and partner with an alternative sheltering facility for 2025 due to a significant price increase. While all Towns agreed the Humane Society deserved an increase, the proposed cost exceeded what the Towns could afford, and a negotiated agreement could not be reached. We sincerely appreciate the excellent care and service the Humane Society has provided over the past 16 years.

STAC undergoes the same inspections and must meet the same requirements per NYS Ag. & Market Law as the Humane Society. STAC also contracts with the Town of Big Flats and the Town of Veteran.

We appreciate your understanding during this transition and urge anyone with questions to contact your Town Supervisor. Thank you!

- Town of Catharine – Richard Lewis – (607) 594-2273
