At this time, Rukundo Benedict with Schuyler County Public Health spoke briefly with, and provided handouts to all attending the meeting, of the programs and services that they offer, as well as, matters that they are monitoring from Public Health.

She would like a few extra moments at the end of the meeting to conduct a brief survey from attendees.

Public Comments.

In closing, Rukundo Benedict addressed the group and stated that periodically Public Health likes to touch base with community members to ask and get feedback for several questions.

What do you think are healthy benefits of living in Tyrone?

What are some unhealthy drawbacks to living in Tyrone?

County-wide, is there a particular Town/Village that we feel offers more healthy living options?

She listened to and made notes regarding the feedback that she was receiving and asked additional questions in return. Very interesting!

No further business.

****Motion by Allen, second by Brooks to adjourn at 11:42 am. Carried unanimously.**

Respectfully submitted,

**Deborah L. Tyler
Town Clerk**

****Unofficial draft until motion of approval at the May 8, 2025 meeting****
